What apps do you use everyday?

Shall we see?

GDGC NIT Jalandhar

Your screen time

Scan to upload

mobile26.hackmol.com

Android

Settings / Digital Wellbeing

Tap the chart for today's total and apps

iPhone

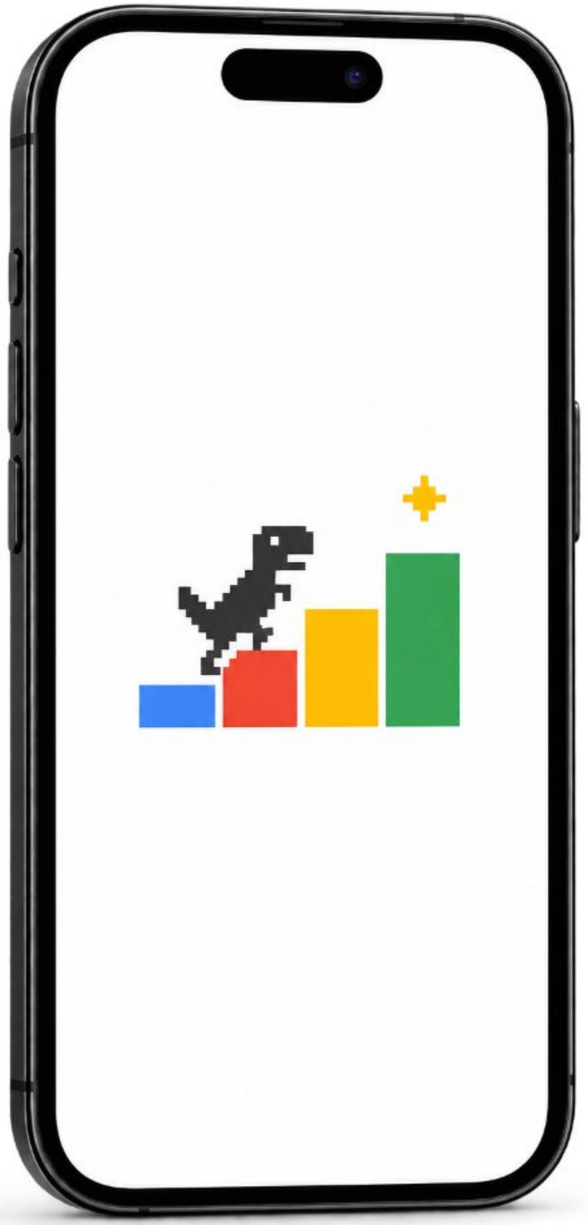

Settings / Screen Time

See All App & Website Activity

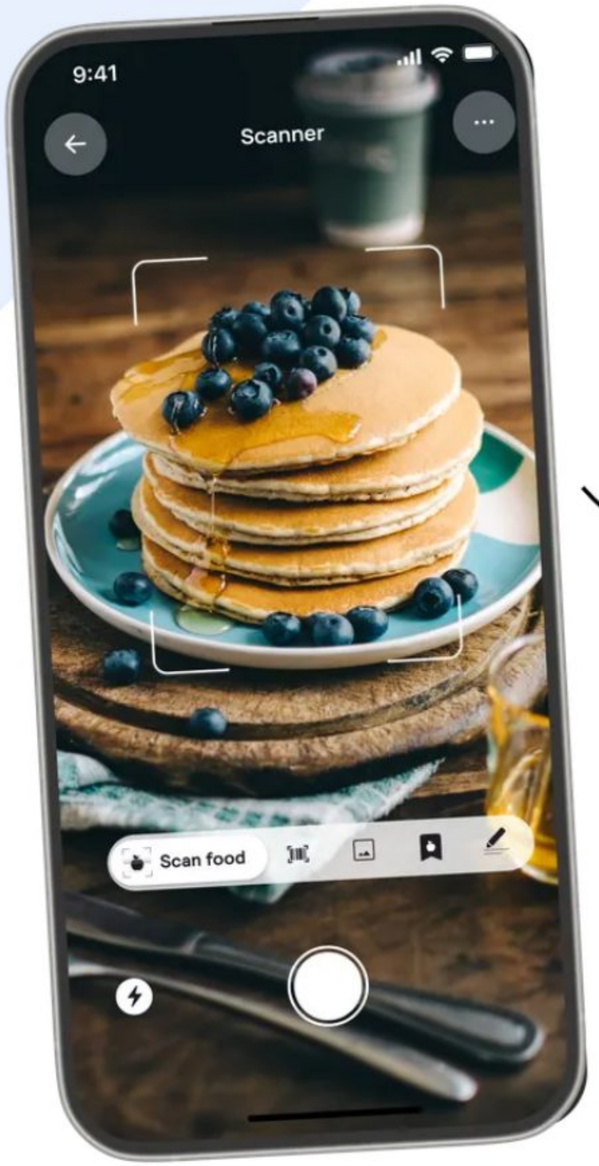

Choose Day and this iPhone under Devices

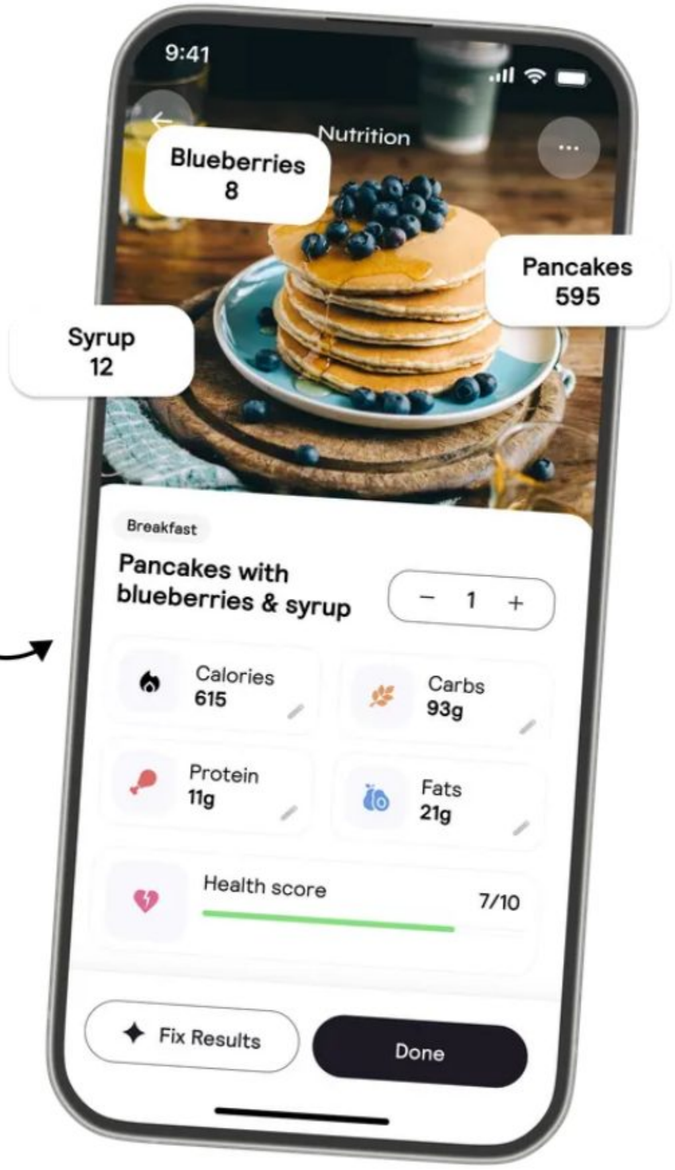

Screenshot the daily total and app list

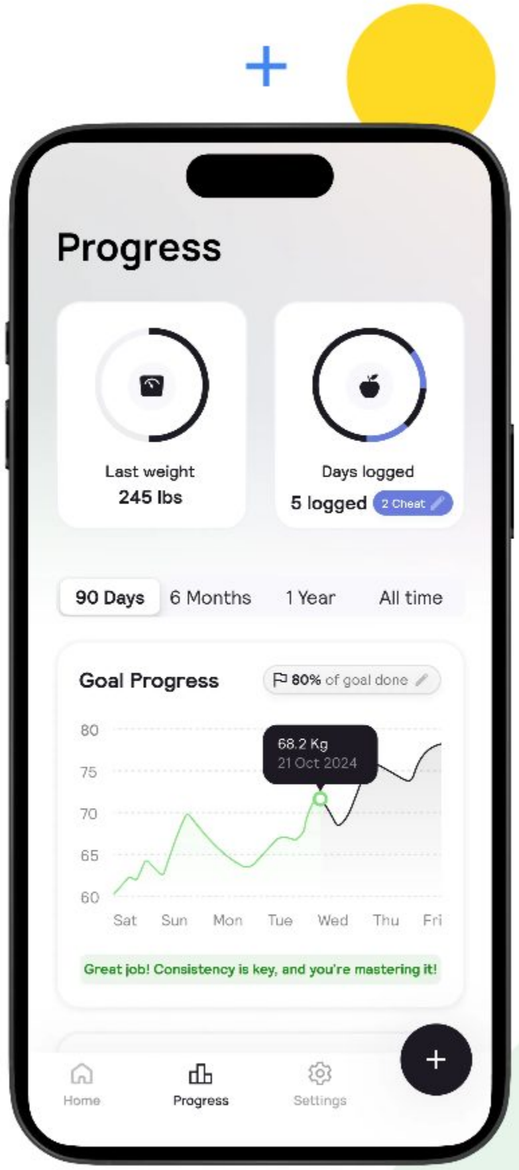

Then scan the QR code and upload it

What if people spent their screen time on an app **YOU** **built?**

Syllabus

We don’t expect experts.

We expect curiosity.

Curiosity

Explore beyond the classroom.

Consistency

Keep showing up and improving.

Initiative

Try building things yourself.

What's next at GDGC

Winterfest

Offline workshops

Mastercamps & bootcamps

App Buildathon

A weekend app challenge

Pick one. Start building.

Flutter

Dart

Cross-platform

React Native

Expo + JS/TS

Cross-platform

SwiftUI

Swift

iOS native

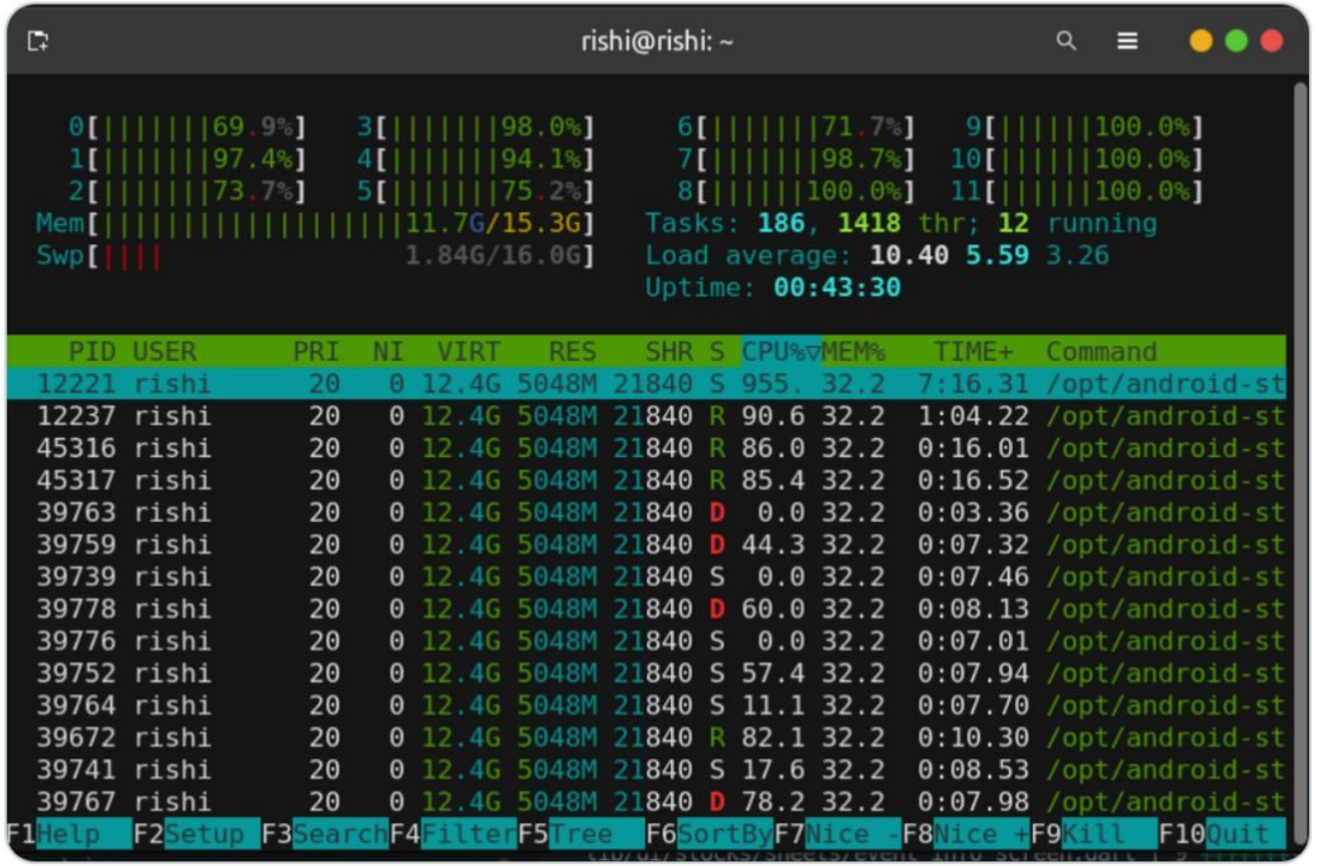

Jetpack Compose

Kotlin

Android native
